

Canon City Schools Reopening Plan, School Year 2020-2021
Information for the Community
7.27.20

Elementary School Specific

School Delivery Model	Students will attend school every day, honoring the district-adopted calendar. Alternating Fridays will include early release for all students.
Length of Day	7 hours 15 minutes
Start/Stop Times	Schools will use the same Start and Stop times as they did last year.
Grouping of Students	CDPHE and CDE guidance allows elementary aged classrooms to run with normal classroom sizes. That group of students is considered a “cohort”. That cohort of students will have minimal interaction with other cohorts. Applicable teachers will rotate into the classroom throughout the day.
Content Area Focus	By using our unique rotation schedule, all content areas will be taught.
Breakfast/Lunch	Students come to the cafeteria in cohorts to pick up <i>Grab and Go</i> or contactless traditional meals. Students eat with their cohort in the classroom or other specified area.
Recess	Recess may occur outside, and within cohorts. Playground equipment may be used by small groups of students as long as they wash their hands upon returning into the school.
Full Online Option	For K-5, The Fully Online Option will be offered through Edgenuity. This is pre-created and curated content that is Colorado Standards specific. If students/parents opt into this option, they will: <ul style="list-style-type: none"> • Be using the Edgenuity Genius Platform exclusively. • Requires a parent/guardian to be available at all times that the student is online (They will serve as the Learning Coach and technical support for the elementary student).

	<ul style="list-style-type: none"> • Be taught by a CCSD Teacher that has been trained in the Edgenuity Genius Platform. • Students can transition back into the regular classroom. • Students will be enrolled in their normal school as if they were attending in person but will be completing all work online. • There is a 10 day trial/opt-out period. After that, families will be locked in to the online option until Christmas Break. <p>To learn more, please refer to the additional document, CCSD 2020-2021SY Online Options.</p> <p>Online students are eligible for breakfast and lunch if the family provides transportation. Please contact your school for more details.</p>
Attendance	Taken daily in all cohorts, as per policy.
Grades	Standards based.
Social Emotional Learning	A firm focus on Social Emotional Learning will be in place, including a “First Two Weeks” plan of instruction. We will also be sending the BIMAS survey to parents in coming days, to help prepare our schools for how they can best support students.
Special Education	Teachers will follow IEP guidelines. As per CDE guidelines, special service providers do not need to be included in the teacher- to-classroom ratios. They will minimize contact with non-client students and other adults in classrooms. Students must receive services within their cohorts.
